DESCRIPTION	AMOUNT
Fixed float switch wire	
subtotal	97.50
Rechecked freon levels and added R-22	
subtotal	100.00
Notes:	
A/C system has a leak. We recommend either using leak stop or replacing the condenser. Leak stop will work better if the leak is small. If this is a bigger leak, we recommend installing a new R-410A system. R-410A is the new refrigerant that is more efficient and cheaper per pound. Call us for questions.	
TOTAL	\$ 197.50
